AASTHA SHUKLA

Aspiring Software Engineer

6398844116 | Chandigarh, India | aasthashukla360@gmail.com | linkedin.com/in/aastha-shukla

PROFILE SUMMARY

Aspiring Software Engineer skilled in MERN stack, Python, and C++, with hands-on experience in building scalable web applications, AI-powered tools, and interactive dashboards using Power BI. Experienced in developing voice assistants, CPU emulators, and community platforms with a strong focus on performance, usability, and problem-solving. Passionate about leveraging full-stack development, data analytics, and business intelligence to deliver innovative and impactful software solutions.

AREA OF EXPERTISE

- DSA & Logical Problem Solving
- Business Intelligence
- AI Assistant & Automation Projects
- Data Visualization & Analytics
- Full Stack Development

TECHNICAL SKILLS

Frontend Development: HTML5, CSS3, JavaScript, React, Bootstrap
Backend: Node.js, Express.js, REST APIs
Databases: MySQL, NoSQL
Programming & DSA: C++, Python
BI Tools: Power BI, Tableau
Version Control: Git, GitHub

ACADEMIC PROJECTS

6502 CPU Emulator with AI Explanation | *Python, Streamlit, Systems Programming* Nov 2025 – Ongoing

- Built a virtual 6502 microprocessor emulator with integrated AI explanation using Groq API.
- Simulates CPU instructions and provides real-time execution insights close to real hardware.

Web-Based End-to-End Chat Application | *Node.js, Socket.io, React* Oct 2025 – Nov 2025

- Developed an end-to-end real-time chat app with authentication and secure messaging.
- Integrated WebSockets/Socket.io for instant messaging and live user status.
- Designed a responsive UI with JWT-based auth and encrypted data storage.

Anime Community Platform | *React.js, Frontend Development* Nov 2024 – Dec 2024

- Designed and developed a responsive user interface using React.js for anime community interactions.
- Built pages for posts, comments, and user profiles with a clean and engaging layout.
- Focused on UI/UX design to ensure smooth navigation and community engagement.

ACADEMIC QUALIFICATION

Chandigarh University 2023 – 2027
B.E. in Computer Science - Big Data Analytics *Chandigarh, India*
Lord Mahavira Academy 2022
Class XII (CBSE)
Lord Mahavira Academy 2020
Class X (CBSE)

CERTIFICATIONS

Microsoft Azure Data Fundamentals (DP-900)

- Foundational knowledge of Azure data concepts, databases, and cloud data services.

Big Data 101 – IBM SkillsBuild

- Gained foundational knowledge of Big Data concepts, tools, and applications.

Generative AI Specialization – LinkedIn Learning

- Topics covered: Introduction to LLMs, Responsible Generative AI, and Local LLMs.
